

We are pleased to announce that the meeting App for the 2021 Virtual APAS meeting is now available. The App is accessible by all meeting delegates and the public.

We encourage you to download the App now to ensure you receive alerts regarding updates to the meeting.

To access the 2021 APAS App, please complete the following steps on your smartphone or tablet (*the App is not accessible via your desktop computer or laptop*):

- Download the 'Elements Event Portal for attendees' via the following links:
Apple: <https://apps.apple.com/app/id1317678093>
Google: <https://play.google.com/store/apps/details?id=com.crowdcomms.elements>
- You can also search 'Elements Event Portal' via the App store or Google Play - and download the portal "for attendees".
- Once downloaded, enter in the Event Code: **APAS2021** (this is not case sensitive).
- *Please note: if you have previously used the Elements Events Portal App, please click on the cog wheel in the top right-hand corner on the homepage of the App and click 'change event' and then enter in the event code as above.*

Once downloaded, the App will be loaded onto your smartphone/tablet home screen as "Elements Event Portal", and can then be accessed at any time.

Through the App, you can;

- View the latest Scientific Program
- Access the virtual platform for the meeting (if you have registered for this)
- Review abstracts and speaker information
- View Sponsor information, including the virtual conference bag
- Receive alerts regarding updates to the program and meeting.

If you have not registered for the meeting, it is not too late please visit the [APAS Website](#) to register now!

If you experience any difficulty with the app, or have any questions prior to the conference, please don't hesitate to email events@aoa.org.au.

We look forward to seeing you online!
