

AOA OWL ESSAY 2020

The Orthopaedic Women's Link (OWL) and Australian Orthopaedic Association (AOA) invite all female (and those who identify as female) medical students from Australian medical schools, interns and PGY2 doctors currently working in Australian hospitals, to enter the **inaugural OWL Essay**.

We aim to promote diversity amongst orthopaedic surgeons and provide a platform for communication to increase the representation of women in orthopaedic training, teaching, research, and leadership.

ESSAY TOPIC

Orthopaedic surgeons are born, not made. *Please discuss.*

WORD COUNT

750 words excl. references
